

Attention Panther Families,

In light of the recent surge of COVID19 cases here on Manitoulin Island and in the interest of the protection of our members, arena staff and the public, we will be taking a one-week cautionary break from hockey effective immediately. We will reevaluate the situation on Sunday December 13th 2020 and will communicate our startup date then.

We would like to remind everyone to continue to follow guidance from our Public Health experts and stay vigilant.

Respectfully,

Manitoulin Panthers Executive
