

MPHA EXECUTIVE MEETING MINUTES – Tuesday April 5, 2022

Meeting called at 8:00 pm

In attendance – Tamey McAllister, Clayton Best, Marci Hughson, Marj Moody, Roxanne Romaniuk, Ashley Taylor

Topics Covered

Coach Evaluations

It was discussed having Coaching Evaluations sent out to parents via anonymous survey. This was always something that was done in the past however, due to lack of parent participation in the past it had just died off. It was agreed that this would be beneficial in providing coaches with feedback and possibly using as a tool when it came to future coach selections. Tamey will draft up an evaluation form and send it out to parents.

Motioned by Marcie, seconded by Roxanne, unanimous decision that we will go back to doing Coach Evaluations.

Coach Applications

Tamey advised that she has reached out to other associations to get a feel for what everyone is doing. It was agreed by all members that we need to get the word out about coaching applications and have them posted so we can have them chosen as soon as possible.

Tryout Dates

Tryouts cannot be held until the fall once the AAA tryouts have taken place. Started talking about a letter being drafted to be given to Reid at the Arena to pass on the town council so that we can hopefully get the ball rolling on the ice being in as soon as possible after Labour Day.

AGM Date

It was agreed by all Executive Members that our AGM would be better as an in person meeting. Tamey is in North Bay until the end of the school year so we will revisit and hold the meeting in July.

NOHA AGM

This years NOHA AGM will be held May 6-8 in the Soo. Once Tamey receives more information, she will share it and see if any of the Executive Members are available to attend.

Contact Clinic

The U13 majors from the previous season were not introduced to body contact before they were off of the ice this past season. We will look into doing some sort of clinic in the fall to have the players prepare for their upcoming season.

Fundraising

The question of fundraising came up as Rockin the Rock is back this year. Since we only had one team participate in the association this past season we do not have enough to participate in an event of that size so we will pass this year and with more participating teams next season look to get back to doing fundraising with the Manitoulin Trade Fair and Rockin the Rock. As of right now we aren't in need of the funds and will have enough in the bank to begin our new season.

Suggestions From Scott Stephens

Scott Stephens had sent in a list of ideas and suggestions for the Executive to review. All members were sent a copy and the topics were discussed. Lots of good ideas in the document, some were more directed to at team/coach level decisions but the Executive were very interested in working towards achieving some of these ideas and suggestions as long as we were not stepping on any coaches toes.

Meeting Adjourned- 9:25pm
