Participants arrive at the arena fully dressed

Dressing rooms vacated 10 minutes after games / practices

Players to bring their own water bottle, no sharing

Temperatures taken prior to entering arena facility. If you are ill, stay home

With these guidelines in mind, the Manitoulin Panthers are looking to offer the following program to our 2019-2020 registered members:

A U11, U13 & U15 program

****We are open to running a U18 program if the interest is there****

A 3 on 3 game play structure with no body contact – League in which competition will take place undetermined at this time

Limited Travel once league competition begins

Where there is a need for two teams in a division, players will be assessed and tiered based on skill and age by a committee with extensive hockey experience and knowledge

Program runs for 8 weeks, at a fee of \$350

The intent is to run the seasonal program in 8-week blocks. As guidelines change, we will adapt the program to fit them.

Pre-registration is required in order for us to gauge interest in this modified program. Pre-registration will open the week of August 17th. You will not be eligible to register for the program if your registration is not complete. By pre-registering, you are assisting the association in providing actual numbers to move forward with our proposed plan. The program is open to all 2019-2020 registered Manitoulin Panthers members.

Please note by pre-registering and committing to the program we are offering you are not required to pay registration fees until the program begins. We will not have a start date until arena facilities open.

Thank you for your patience while we navigate through this very different hockey season. We look forward to seeing all members join us back on the ice for another season with the Manitoulin Panthers.
